Mount Vernon High School
Mount Vernon, Ohio

Alma Mater

On Mount Vernon, Alma Mater,
Glorious through the years,
Brave, triumphant o'er our rivals,
Harbor for our fears.

We who love thee sing your praises,
Shout them to the sky.
When we're gone, we'll still remember
Our Mount Vernon High.

O'er the fields of triumph ever
Shall her banners fly,
Black and orange, loyal colors,
Of Mount Vernon High.

Senior Class History

Among the pictures of our 1951 graduating class of 113 seniors are the faces of many who started out together on their school careers twelve years ago. Whether they joined the class then or in later years, the members of the class have profited well by unforgettable experiences and valuable friendships they have had.

In the junior year the class was organized for the first time to make some accomplishments by working together. President Don Lambillotte, Vice-president Bill Turley, Secretary Patty Fletcher, and Treasurer Barbara Hulse saw us through the class play "Off a Pewter Platter" and a wonderful junior-senior prom at the end of a busy year.

Our senior year has been our busiest and, we hope, our most successful. Our president, Dave Ogg, has worked quite hard organizing various committees and taking over his duties, with Vice-president Arlene Mossholder, Secretary Barbara McKinley, and Treasurer Carl Galleher. Our home-coming festivities included the crowning of Queen Mary Lou Watters. The football team chose senior attendants Kathleen Vernon and Barbara McKinley. We consider our greatest undertaking to be the 1951 FORUM in which we leave for posterity our pleasant memories of Mount Vernon High.

Organizations

Y-Teens

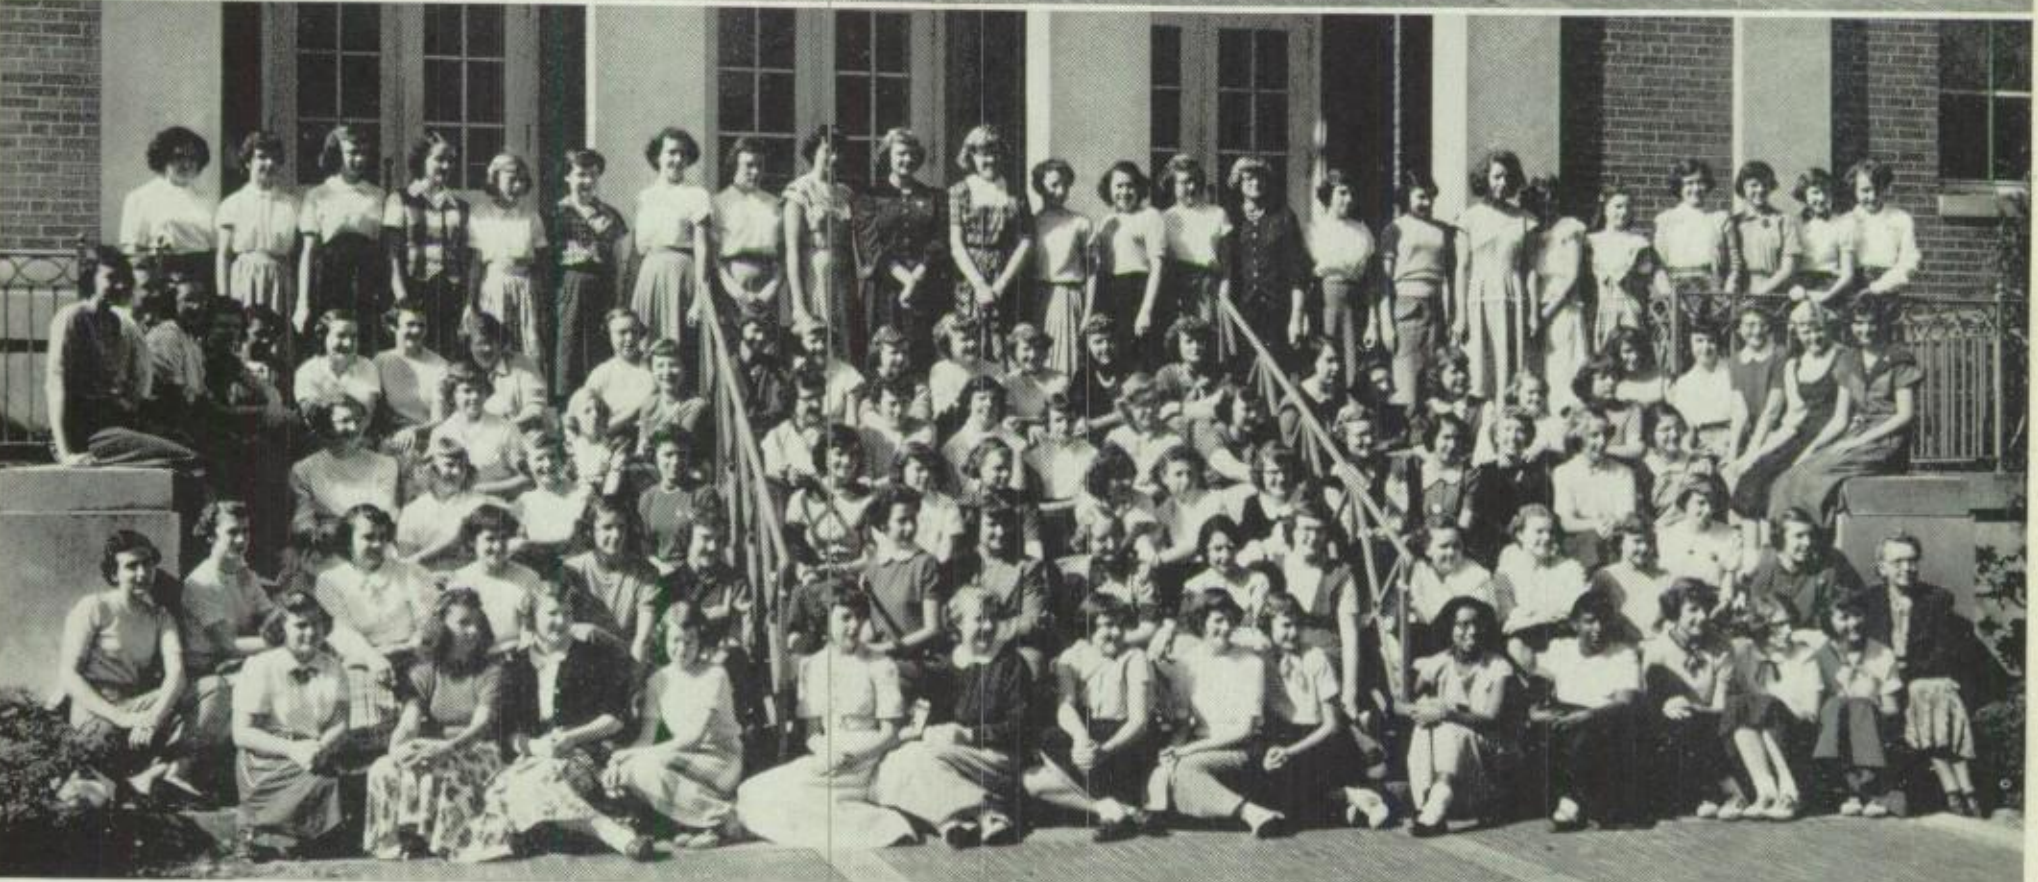

Patty Fletcher, treasurer; Doris Hillier, secretary; Gertrude Kittelberger, vice-president; Mary Lou Watters, president.

The Y-Teens meet twice a month. They have had many interesting speakers and programs. The outstanding social functions have been the Y-Teen formal, the Mother-Daughter Banquet, and a talent show. As for projects, the Y-Teens have sent chocolate bars to Greece; helped a needy family by giving food, toys, and clothing; and in the future, they are going to give money to a cause that is providing shut-ins with movie projectors. They are also going to keep helping their "adopted" family.

Patty Fletcher, Doris Hillier, Marcia Beach, Trudy Kittelberger, Joan Moffitt, Mary Lou Watters, Mary Ellen Ewing, Deedra Hess, Lou Ann Koch, Cynthia Coolidge, Louise Kerr, Betty Dexter.

G. A. A.

On the Girls' Athletic Association agenda for this year were many kinds of sports. They played volleyball in Loudonville, had an "All Sports Party," enjoyed a "Bike Hike," held a "Date Night," and other parties pertaining to "Sports."

The girls in the G.A.A. have to have some sports ability, must have points earned by participation in intramural sports, or outside of school.

Student Council

President ----- Sue Robeson
Vice-president ----- Dick Lorey
Secretary ----- Russell Hall
Treasurer ----- Barbara Hulse
Adviser ----- Miss Audrey Wright

The Student Council is an organization of representatives serving as a voice of the student body. It tries to encourage good conduct in school, promote the general student welfare, and make recommendations to the school officials to accomplish these things, if necessary. There is one representative elected from each home room and each club or organization has the right to be represented. In the Student Council there are various committees such as Safety, Courtesy, etc. for improvement in the school.

This year the Student Council is revising the Handbook for the benefit of the students, especially the new students. A safety campaign and a courtesy campaign, have also been carried out this year. They were in charge of Homecoming activities and presented a gold football to the Homecoming Queen (this she is to pass on to the next year's queen), collected money for an assembly fund, the "Crusade for Freedom," the "March of Dimes," and Aid for Crippled Children. In March the Student Council sponsored an all-high school party, called the "Shamrock Shindig."

Football Briefs

Jumping to a 14-0 first-half lead, the 1950 Yellow Jacket football team, coached by Dwight Bumpus, easily won their first game with Coshocton 14-6.

Clinching their second win of the season, Coach Bumpus's fast hard-charging Yellow Jackets rolled over Columbus St. Mary's team 19-0.

Over-powered by a heavier and more experienced team, Mount Vernon dropped a hard fought game 54-20 to Upper Arlington.

Gaining almost at will the Yellow Jackets tripped Urbana 25-6 for their first C.B.L. win.

Monopolizing on the breaks and running smoothly from the "T" formation, the home team upset a favored Delaware team 47-0.

Outrun, outcharged and most of all out-lucked, the Yellow Jackets dropped their second C.B.L. tilt in four starts to a powerful Grandview aggregation 27-6.

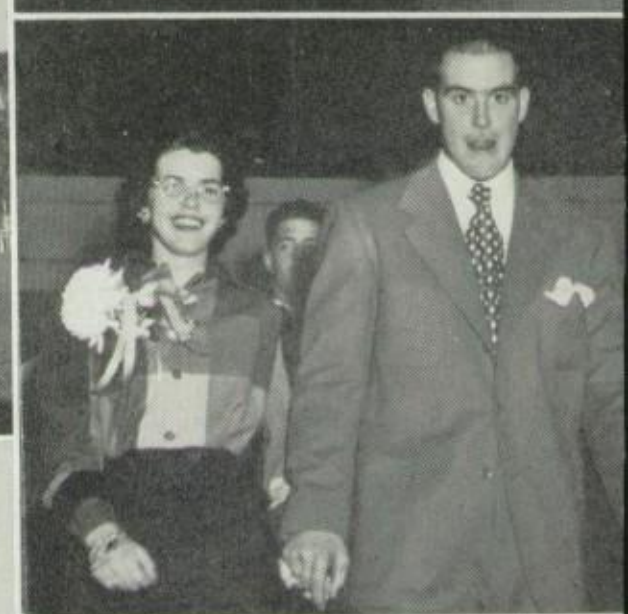

Playing on a rain-soaked field, the light scrappy Mount Vernon team out-fought a heavier Bexley team 14-13. This was Mount Vernon's homecoming game.

Fumbling at crucial moments inside the opponent's 20 yard line, cost the Jackets a close one with Wooster 7-0.

ONE OF OHIO'S LARGEST INDUSTRIAL FAMILIES ... And Why

The more than 18,000 men and women who are producing Timken bearings, fine alloy steel, and rock bits in many plants throughout Ohio make up one of the state's largest industrial families.

We're proud of this fact because it proves once more that the competitive free enterprise system is the greatest in the world.

Under any other, such as Communism, Socialism, Marxism, or Fascism the Timken enterprise could not have grown from a handful of men into a great multitude of people joined together for a single purpose: to make a profit. In fact, under any other system it is doubtful if the enterprise could have even begun.

* * *

To gain a profit, 22,000 American men and women have invested their savings in the Timken enterprise.

To gain a profit, more than 18,000 American men and women are busy giving the best that is in them to turn out the finest possible products.

Because they profit by it, thousands of customers continue to buy Timken products in ever-increasing quantities.

But strangely enough, the profit motive of late has taken on the nature of something evil, bad, anti-social.

Yet profit is the reason why America is the most prosperous and powerful nation ever known. Under the free enterprise profit and loss system we have produced more goods for more people at a low cost than any nation in the history of man.

* * *

Yes, we believe in the profit motive. We believe in a better product at the lowest cost consistent with a policy of steady employment at good pay and a fair return to investors for the use of their funds. And because we have always believed in it the Timken industrial family is one of Ohio's largest.

THE TIMKEN ROLLER BEARING COMPANY, CANTON, OHIO

"TO MAKE THE BEST BEARINGS . . . THE BEST STEEL . . . THE BEST ROCK BITS WITH THE BEST PEOPLE WORKING UNDER THE BEST CONDITIONS!" *That is our aim at Timken*

There's No Other Way

"The prosperity and security of all the people in this country have come and can come only out of the work they do. The amount of prosperity and security they can have at any time depends solely upon the combined efforts of mind and muscle which they are willing and able to apply in using the natural resources of the country to produce the necessities and comforts they consume and exchange, and the tools and machines they need in order to produce as much or more in the future. The more work everyone does, the more people there are who work, the harder and longer and more effectively they work, the more prosperous and secure they will be. There is no other way."

Class Prophecy

Introduction by Sally Tabor

Scene—The laboratory of a crazy professor, Jerry Galleher, who was just about to announce his great discovery of "Height-a-col" but has been brutally murdered. The year is 1971. His laboratory assistant, Sue Robeson, has just entered to discover the body and is calling the police.

SUE

Come right away, a man has been murdered!

BILL TURLEY (Chief of Police, dashes in before Sue can hang up.)

I am here!

RON McGOWAN (The chief's worthy assistant following after him.)

So am I! (Winks at Sue)

ANN ACKERMAN (Jerry's wife enters sobbing, dragging her young maid, Arlene Mossholder behind her.)

Oh—My Husband! My Husband!

DAVID SHIELDS (The Coroner enters.)

Where's the body?

CAROL SATTLER (Girl Reporter for the Mount Vernon News. Enters.) (Has a pad and pencil in her hand, jotting down notes.)

BILL TO SUE

Where were you at the time of the murder?

SUE

I just came from Ethel Vernon's Beauty Salon.

CAROL

Who was there that could verify your statement?

SUE

Gertrude Kittelberger, the famous violin virtuoso.

RON TO CAROL

You mind your own business.

DAVID

Odd case! This man has been poisoned, stabbed, shot and choked.

BILL TO ANN

And where were you?

ANN

My chauffeur, Bob McGough, had driven me to hear Imogene Willis, a famous lecturer, speak about Nick Madias' butterfly collection.

BILL TO ARLENE

And where were YOU—Cutie?

ARLENE

I was with my girl friend, Mary Ellen Ewing, who is taking a post grad course at Kenyon on MAN-LOGY.

DAVID

Hurry up and solve this case. I have to speak to the "Odd Fellow's Club" of which Jack Cline is President, Leo Butler, the vice president, Bob Gamble, the secretary, and Stanley Hyatt is the treasurer, on "Taxidermy."

CAROL (Snooping around)

Look what I found! A DIARY!

BILL

Let me see.

CAROL

No. Hmm—October 2nd, "I was in New York. I took my old girl friend, Shirley McKenzie, a rich divorcee, to see the "Rockettes." You will never guess who was in the chorus line. None other than my old classmates: Mary Kasson, Naoma Jane Leasure, Alice Beck—and Dick Zinsmeister. The whole show was directed by James Dice." "Say, this is hot stuff."

ANN (Shaking her hand at Jerry, covered with a sheet, lying on the floor.)

You deceitful scalawag — YOU!

ARLENE (Grabbing the diary from Carol)

Let me see that diary! October 3rd, "This evening I went to the Stork Club where Jane Hoovler is the hat-check girl. Hot-Lip's Charlie Titus was there with his orchestra, in which Sally Tabor was playing

the drums, Ann Ackerman, the clarinet, Patty Ryan, the saxaphon, Monica Jackson as the accompanist with Anita Glover, girl vocalist, and John Bobst still singing—"Dixie?"

ANN

You Monster—You!

SUE

You have no right to read that. (Grabs book from Arlene) October 4th, "Was going to Lulu Watter's Gypsy Tea Room, where Jim Imel is chief cook and bottle washer, when I saw Richie Bastin chasing a redhead down Broadway—and at his age."

RON

Give that here. "Met Vaughn Paddock, millionaire playboy, in Bethel Wooldridge's "Men's Apparel Shop" and he invited me out to his estate. There I saw in colored T.V., my old chum, Joe Sellers, magician, sawing his assistant, Nancy Lannoy in half, on Dan Gueulette's "Gillet Shaving Blade Show" where Don Smith and Bill Brown were demonstrators."

BILL

Would somebody mind letting me see that. After all I'm in charge here. October 5th, ". . . went to see Bob Fry, the new "Mr. America," making his debut into the wrestling ring at the Broken Bones Arena, owned and operated by Gilbert Higgins. He was wrestling that Terror of Terrors, battling Bill Fisher." Hmm—October 10th, "Returned home from my trip to New York. Read in the paper where one of my fellow chemists, Joan Moffit, has a new product on the market called "Man Hooks" and it is positively guaranteed for catching your man. This product has been tested by Sue Robeson with excellent results—Ron McGowan?"

DAVID TO BILL

You're getting nowhere, give that here. Hmm—Now we're getting there. October 21, "My wife took me out to see Doctor Perry Williams at the State Insane Assylum. She must think that I am crazy. There were a couple of very pretty nurses there assisting him. Virginia Eagle and Barbara Genre were their names, I believe." Now, Chief (to Bill), there's your murderess. His Wife. Arrest her and let me leave.

ANN

Mel Now, listen here you.

DAVID

Well, you read it yourself.

ANN

October 22nd, "Locked here in my little two by four room, I did find some magazines to read. Picking up "Esquire" I discovered that David Shields is now Editor-in-chief, Bob Walton is the Art Editor and Arlene Mossholder, the Advertising Manager. Probably trying to keep them out of debt. I then glanced through "Blur" magazine containing the works of that great photographer, Carl Irick."

CAROL

Let me get some of the exact words from that for my article. (Takes Book) October 23rd, "The Doctor allowed me to take a walk down town in order to get a haircut. I went to Martin Crumbaker's Barber Shop. Betty Dexter was his manicurist.

ARLENE

That was the day I saw Muriel Epstein and Marilou Wintermute hitch-hiking to Kenyon.

SUE

Let me read some. "Picking up the newspaper in the barber shop, I read on the sports page where David Gelsanliter is tying Sammy Sneed in the ninth hole. I also read where Jim Legros is pitching for Swegan's Carry-out now."

RON (Taking the book from Sue)

Here's an interesting item. November 9th, "Bob George is running a Green Cheese factory on the Moon. The Chief Nibblers are Beverly Peugh, Virginia Kinney and Phyllis Gullet. Lee Bevington and Edward Rucka run the Cheese Wagon between the Earth and Moon."

BILL (Taking book from Ron)

November 10th, "Went down to the bank to see my old friend David Ogg so he could lend me some money to buy a mink coat from Patty Fletcher's Furrier Shop for an old flame who just arrived in town, Ruth Fish." (To Ron) Remember that name!

DAVID

Look here, Chief, the Fire-Chief, Charles Gillooley, is waiting for me at Carl Galleher's Cigar Store, and he's expecting to meet Nancy Hare, author of the book, "Around the World in 80 Days," or "Who Pulled The Cork Out of The Rowboat?" at Bea Laymon's Bus Depot.

ANN

That girl isn't the only one he bought a mink coat for. I happen to know that he's been seeing Louise Kerr, the 22nd Vice-President in Bob Blue's Garter factory, also, his secretary, Doris Hillier, has been calling him up late at night. And—when Virginia Beeman, voted the best dressed woman in the United States, arrived in town with Walter Rine, the best dressed male, he took them to Don Noonan's Nightclub where Barbara McKinley is the CAN-CAN girl.

RON

Barbara isn't as good as that Fan-Dancer, Carol Sattler, at Marvin Vannatta's "Gaiety" in Columbus.

SUE

What were YOU doing there?

ARLENE (Reading Book)

It says here that Jean Reed has replaced Miss Wright as Dean of BOYS at the local high school and Denny Thompson, Dean of GIRLS!

CAROL (Reading book)

November 14th, "I discovered a medicine for developing muscles and I employed Nelson Brown and Phyllis Kaser, the King and Queen of Bums, to act as my victims. Glancing out of the window, I saw Bill Turley, assisted by Sue Lewis, sweeping the street."

DAVID

Hurry up, or I'll miss the National Knitting Society meeting at the house of Floramae Tuttle, where I can chat with my old friends, Elaine Wright, Ruth Franz, Mary Lou Seigworth and Bill Dougherty who are the most active members.

BILL

What are you so anxious about? I want to go to the International Yo-Yo Contest, where Kathleen Vernon is modeling the latest gown to be worn for playing Yo-Yo, with Fred Erlanger acting as her manager. Lois Agnew is President of the club and Margaret Hart is the Vice-President.

SUE

And I want to go to Don Lambillotte's style show at Bob Hull's Hotel, where Barbara Hulse, and Phyllis Pier are modeling.

CAROL

Yes, Chief, hurry up, I have to cover the grand opening of Delores Latherns' and Edna Warman's Nursery school.

ARLENE (Taking book from Carol)

December 1st, "Sometimes I get so disgusted that I think I want to join Jack Blue on his deserted island with his 1000 beautiful girls and one allergie, and if I do die, I will have my funeral at Hobart Brown's undertaking establishment."

RON TO ANN

I'll hire Dick Payne, the famous opera singer, to sing at his funeral.

BILL

Well, folks, I've decided that (pointing to Ann) You shot him! (pointing to Sue) that You poisoned him! and pointing to Arlene) that You stabbed him! Who choked him is up to the audience. (Everybody exits. Jerry rises.)

JERRY

I'm going to Jim Kousoulas's Bakery and get cremated in his oven. Curtain)
